## SMARTPHONE MOUNT FOR BOAT AND KAYAK

SECURE PHONE FITMENT

EASY ADJUSTMENT (MAGIC ARM)

DURABLE ALLUMINIUM ALLOY MATERIAL

THE DEEPER SMARTPHONE MOUNT FOR BOATS AND KAYAKS ENABLES YOU TO CONVENIENTLY AND SAFELY HOLD YOUR SMARTPHONE ON YOUR BOAT, KAYAK, OR FLOAT TUBE. SIMPLY CLAMP THE MAGIC ARM TO YOUR VESSEL AND INSERT YOUR PHONE INTO THE HOLDER AND YOU ARE READY TO GO. THIS SMARTPHONE MOUNT IS ALSO COMPATIBLE WITH DEEPER FLEXIBLE ARM MOUNT 2.0 SINCE YOU CAN MOUNT IT DIRECTLY.

**The Deeper Smartphone Mount for Boat and Kayak was developed due to significant demand from our customers who requested to have a safe and convenient way to hold their phone while using Deeper sonar on boats and kayaks.**

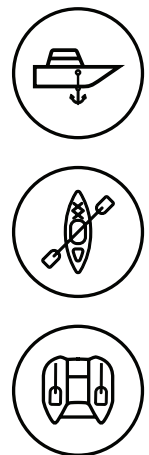

### FEATURES

**Easy to assemble and mount, no drilling needed.**

- 28cm / 11in length Magic Arm offers you versatile positioning using just one handle.
- Universal phone holder with rubber pads keeps your phone extremely safe and scratch-proof even on roughest waters. Fits phones from 65mm to 95mm / 2.6in to 3.7in in width.
- Choose your mount – C-clamp or T-bolt to securely mount to the vessel of your choice.
- Easily take out your phone from the holder when needed.
- Made of high-quality anodized aluminum alloy material.
- Compatible with Deeper Flexible Arm Mount 2.0.
- Suitable for use in any conditions.

### HOW TO USE

1. Place the security strap onto your Smartphone Mount for Boats and Kayaks. This ensures there is absolutely no chance of losing the mount with your smartphone in it.
2. Now screw in the mount of your choice (C-clamp or T-bolt) and phone holder.
3. Attach the mount to your boat and tighten it.
4. Insert your phone and adjust position as required.
